# INTRODUCTION

- The MCCxAGS conference will be held on October 4-5 at Apple Global School, Ahmedabad.
- This event offers students a platform to ideate, engage, and take leadership roles in shaping the future of their city.
- Delegates will represent themselves as responsible citizens of Ahmedabad, working collaboratively to address key urban challenges such as waste management, animal welfare, greener city initiatives, and social inclusion.
- Through council-based deliberations, problem-solving workshops, and interactive sessions, participants will move beyond discussion to actionable solutions that directly connect with the realities of urban life.
- In addition to councils, the conference will also feature orientation sessions, interviews with organizers, and reflective segments that highlight the vision behind MCC. Delegates will have the opportunity to interact with peers from across Ahmedabad, exchange diverse perspectives, and learn how student-led initiatives can drive real change in urban spaces.
- The conference is organized by Apple Global School in collaboration with the TIDE Foundation, bringing together innovation, youth leadership, and civic responsibility under one roof.
